

CommonObject

```
graph BT; TourneeObject --> CommonObject
```

A UML class diagram illustrating inheritance. At the bottom is a class box for 'TourneeObject' with a gray fill and a thick black border. A solid blue arrow points vertically upwards from the center of the 'TourneeObject' box to the center of the 'CommonObject' box. The 'CommonObject' box is at the top, has a white fill, and a thin gray border.

TourneeObject
